

Privacy Policy:

What information do we collect?

When you register with us, there are certain details we require in order to create and maintain your client profile.

Please read through the information below carefully.

Personal Information we collect or obtain includes:

- Contact details (name, address, email, telephone number),
- Personal details (date of birth, medical conditions, injuries, emergency contact details),
- Financial and transaction data (purchase history, account information, visit history)
- Other service-related data in case of appointments such as bodyscans, health coaching, personal training, heart-rate based training classes, workshops, events, corporate solution services. In these cases, you will be asked to fill out some forms with extra personal information so we can ensure the best customer experience and feedback related to the service(s) of choice.
- Other business-related points of contact including customer requests, feedback etc.

What do we use your information for?

Your personal information will be used solely to activate your Client Profile and maintain your Membership Registration and Renewal information. We will also send periodic emails/newsletters and/or contact you via email or phone when necessary regarding member services.

Note: If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email. You may also update your MINDBODY preferences through your Client Profile. However, please note should you choose to opt-out, we cannot be responsible for any inconveniences caused in case you have missed important information that we have communicated to our opt-in clients.

How do we protect your information?

All client information is stored securely in the third party software provided by MINDBODY. MINDBODY stores all data in servers and backup servers located in the United States. MINDBODY has Privacy Shield certification which complies with GDPR regulations related to transferring data outside of the EU. For a detailed explanation of how the Privacy Shield requirements align with the new GDPR guidelines, follow this link: <https://www.mindbodyonline.com/privacy-policy>.

Do we disclose any information to outside parties?

We share the necessary information (as stated above) with MINDBODY. Furthermore, we share your full name and email address only with MAILCHIMP, from which we send newsletters periodically. Also, in the case of participating in our Heart Rate Training Sessions, we will share only the necessary information with ONBEAT, which are the software providers, to ensure accuracy during your training. We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. We do not use tracking cookies on our website www.clubgx1.com. However, we do have social media sites such as facebook, twitter, instagram and youtube embedded on our site. These sites may make use of cookies. Please refer to their individual cookie policies for more information.

Your Consent:

By using our site and our member services, you consent to our privacy policy.

Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on this page. This policy was last modified 02/10/2018.
